SEASONS'S GREETINGS, SPECIAL DEALS & NEW FACES

As we are coming to the end of another year, Lombardy Estate and Health Spa would like to announce that we we have now taken another important step in the creation of the Lombardy lifestyle – The Health Spa has opened its doors for business on 1 December.

Following in the footsteps of such leading spas as the *Life Day Spa* (Crystal Towers, Cape Town), the *Renaissance Spa* (Michelangelo Towers, Sandton) and the *Octavia's Sensorium Spa* (Emperor's Palace, Johannesburg), the latest addition to the *Spas of Distinction Collection* is now part of the product offering at *Lombardy Estate & Health Spa*.

Named the *Soulstice Day Spa Pretoria*, the spa will be offering only the most luxurious services and treatments, as well as personal interaction between clients and spa therapists, coupled by affordable yet luxurious skincare and body brands promoting internal and external wellbeing.

Occupying a space of approximately 1200m², the *Soulstice Day Spa Pretoria* at Lombardy offers all of the standard health and beauty practices – like massages, facials, body treatments, manicures and pedicures – as well as a unique range of revitalising therapies.

Like the Floatation Room, where half an hour of therapy equates to four hours of undisturbed sleep, surrounded by Amethyst crystals and soothed by underwater music. Or the Amethyst Rasul Chamber – based on a traditional Turkish Bath, where the body experience a complete detox and cleansing ritual, consisting of natural medicinal earth mud, herb-infused steam and a tropical rain shower to draw out impurities and wash it all away.

Indulge in purifying steam rooms, sauna rooms, couple suites, a heated spa pool and even a Spa Restaurant – every kind of treatment and relaxation technique is presented in beautiful surroundings.

The operator of the *Soulstice Day Spa Pretoria*, Mark Barkett, is also in the process of introducing exclusive packages and rates just for homeowners. "I believe the homeowners of *Lombardy Estate* are the perfect ambassadors for our own luxury brand," says Mark.

Apart from the opening specials, homeowners can look forward to 10% discounts on treatments with their VIP Loyalty Cards, special discounts on three consecutive treatments, as well as a special package – to be delivered to their doors – including the spa's own range of beauty products.

To book your session at the *Soulstice Day Spa Pretoria*, please visit www.soulsticedayspapt.co.za, or just take a leisurely stroll to your very own spa, on right on your doorstep and make an appointment.

A FOND FAREWELL TO FRANS STANDER, and a warm welcome to JOHNATHAN FAURIE – Our New General Manager

Frans Stander has left Lombardy to take up a position at *Southdowns Estate*. We wish him all the best in his new venture.

Filling Frans' shoes, is a man who was, until he accepted the role of new General Manager at *Lombardy Estate & Health Spa* recently, the Estate Manager at the *Caribbean Beach Club, Marina and Golf Estate* in Hartbeespoortdam.

Johnathan Faurie has been involved with the planning and development of a large golf estate and the management of a diverse commercial and property portfolio, giving him vast business and financial expertise.

"I was instrumental in identifying commercial and property development opportunities," says Johnathan. "I had to spearhead the design development and marketing of these opportunities and had to be exceptionally well organised, creative and self-motivated to meet the demands of a diverse portfolio."

Johnathan also holds an international accredited MBA that focused on the hospitality industry. "My analyses of 110 resorts, estates and hotels critical success factors as part of my dissertation gave me valuable knowledge on how companies should be consumer focused and performance driven, the latter extending to the results shown by the companies that I have worked for," says Johnathan.

We would like to wish him all the best and welcome him into the Lombardy community with open arms.
